Singapore Med J 2014; 55(3): 126-127; <http://dx.doi.org/10.11622/smedj.2014027>

The doi number in the printed journal is incorrect. It should be 10.11622/smedj.2014027, and not 10.11622/smedj.2013134. The online version of the article reflects the correct doi number.
