

Outbreak of COVID-19 – an urgent need for good science to silence our fears?

Lum LHW, Tambyah PA

Singapore Med J 2020; 61(2): 55-57; <https://doi.org/10.11622/smedj.2020018>

On Page 56, Fig. 1, the following description for 7 Jan 2020 was omitted: “The genetic sequence of the probable causative virus is published”. The online version of the article reflects the corrected figure.
