

Retraction: A handy way to handle hemoclips® in surgeries

Shunjie Chua, Mark Pitts, Peter Lemark, Min Le

Singapore Med J 2015; 56(12): 695; <https://doi.org/10.11622/smedj.2015191>

Following investigation of allegations of professional misconduct, the Singapore Medical Council (SMC) has confirmed that the corresponding author, Chua SJ, had provided fictitious names as co-authors of this paper.

In view of the misrepresentation of authorship claims, the *Singapore Medical Journal* fully retracts this paper from its published record.
